

TOP2017

Braga, Portugal

10th International Workshop on Top Quark Physics

We are pleased to announce that the registration for the 10th International Workshop on Top Quark Physics, TOP 2017, held in the city of Braga, in Portugal, from September 17th to 22nd, is now open!

The workshop venue will take place at Hotels located uphill in Bom Jesus, in the historical city of Braga. The meeting starts September 18th, with arrival expected September 17th afternoon, and ends September 22nd, with departure foreseen after lunch.

All participants are expected to attend the workshop for the entire period of the event. The registration procedure, traveling and accommodation information, is available at the workshop webpage.

The registration fee is 200€ if paid before June 30th. After that date the workshop fee is 250€. Registration will close August 31st.

A detailed agenda will be released soon through the conference website.

To provide young physicists the opportunity to contribute to the scientific programme, a Poster Session and Young Scientist Forum with short presentations will be organized. The best presentations and posters will be awarded a prize.

We ask experimentalists to submit abstracts for posters or talks in the Young Scientist Forum to their respective experiments. Theorists should submit their abstracts directly using the conference page during the registration procedure.

We look forward to see you registering in the 10th anniversary of the International Workshop on Top Quark Physics! Join us to celebrate in the wonderful city of Braga, Portugal.
